Help Us Shape the Future

The New Hampshire Veterans Home is looking into the future. We have created a Master Planning Team that will establish a foundation for growth and development over the next 20 to 25 years, *and we invite you to join us* on our journey. Our theme, "Possibilities, Not Limitations," invites innovative thinking and diverse ideas.

The New Hampshire Veterans Home has been a home to servicemen and women for over 117 years. *We have made great progress since 1890, but what matters to every new resident is not our past accomplishments, but what kind of a world we create for our residents here and now.*

Our goal is to create a long-term vision for the Veterans Home. We are looking at how culture change can define new spaces, such as private rooms. We are also looking at renovations of old spaces for new uses, new construction, nature trails and gardens, intergenerational day care, a therapeutic pool/ rehabilitation and wellness center, repairs to our infrastructure, and a parking garage.

Your ideas can help us create a plan that will enable us to meet the long term care needs of the next generation of veterans. Please complete our questionnaire and return it to us as soon as possible. We look forward to hearing from you. You may mail the questionnaire to:

NHVV Master Plan Committee
New Hampshire Veterans Home
139 Winter Street
Tilton, New Hampshire 03276

Thank you!
